Checklist: Transcript of Records

Three focus areas:

- Main focus area: core module, interface module, colloquium module
- Additional focus area 1: core module, interface module
- Additional focus area 2: core module, interface module

Structure of the core module:

III-course + Seminar A + Seminar B

- III-course: participation
- Seminar A or B: participation (e. g. presentation)
- Seminar A or B: participation (e. g. presentation) and examination (e.g. term paper)

Structure of interface core module:

Seminar A + Seminar B

- Seminar A or B: participation (e. g. presentation)
- Seminar A or B participation (e. g. presentation) and examination (e.g. term paper)

Structure of the colloquium module:

Colloquium A + Colloquium B

- Colloquium A or B: participation
- Colloquium A or B: participation and examination (graded concept presentation)

Terminology "Schein":

- "Studienleistung" = participation
- "Prüfungsleistung" = examination (also called "Modulprüfung")

Important:

Please make sure that for the seminar with a graded examination, the "Studienleistung" as well as the "Prüfungsleistung" are reported to the PGKS! Otherwise the module does not count as completed.
